

LAY Gewuerze OHG

With a market experience of more than 85 years, company Lay Gewürze OHG is one of the traditional spice companies within Germany. The company does produce in their brand new state of the art production facility in Queienfeld (Thuringia) a wide variety of Spices and Spice mixtures, Decorative spice mixtures, Herbs and Salt mixtures, Marinades and Spiced Oils as well as additives for the Meat Industry, Delicatessen and Convenience Industry as well as for the General Food Industry, Catering Companies. Some of their products are also suitable for certain Dairy and Snack Food applications.

Throughout the last years, the technical staff of company Lay Gewürze OHG has constantly developed a variety of spice mixtures, recipes and problem solutions in their Technical Center in Queienfeld, where the technical staff has access to a fully equipped pilot plant, where processing conditions from the Industry can be simulated.

The success of company Lay Gewürze OHG is being achieved by providing high quality spice mixtures and by developing new products, which do meet the expectations of their partners. Therefore several technological customer seminars are being organized during a year, where the company is seeking for the dialog with the Food Industry in order to be updated with current market trends and problems in order to develop the most suitable and interesting products for the Food Industry.

You can visit Lay Gewürze OHG at the Gulfood exhibition in Dubai from 23.02. – 26.02.2009 at the exhibition Center, Sheik Rashid Hall, Booth No. R-F 24.
